Good evening families,

We continue to miss you and your children very much! We are crossing our fingers that, with restrictions loosening a bit and more businesses beginning to open, we'll be able to welcome you back sometime soon. We are working on so much to make sure that, when you return, it's to the safest possible space. It would be extremely helpful if we could gain some feedback from you. Your feedback is so important to us and ensures we don't miss the things that are most important to you.

### Would you please take 2 minutes and fill out this survey?

Also, many of you will be receiving an important letter from us **early next week**. Please take some time to review that letter as it will have important information about our initial re-opening plans.

We are also continuing with our sales of gift certificates. With funds brought in from sales, as well as the dollars from those who continued to pay tuition in May (THANK YOU!), our intention is to "upgrade" Gymfinity. Not only to combat this COVID-crisis, but to be able to continue to provide a healthy and sanitary facility. We hope to convert our washrooms to hands-free operation for sinks and hand towels. We'd like to add a covered area outside, not only for summer camp, but for moms and dads to wait outside in warm months, while their child does class or practice. If you're interested in purchasing, please click [here](#) to go to the order form or Parent Portal.

Thank you!
