Hello Gymfinity Families:

I hope that we are all continuing to be healthy and are weathering the *Safer At Home* quarantine. While we were apart our staff has worked tirelessly to clean and prepare the gym for our eventual reunion. Though we cannot even give a speculative date as to when we will reopen, we strive to be ready to open with the health and safety of our kids and staff being foremost in our minds. As our imminent reopening inches ever-nearer, please know that we will reach out again with plans, options, and more details.

On our website, you will find a new page that is dedicated to how Gymfinity will proceed in this time of Covid-19. You will find new procedures, new requirements, and new policies to assure us all a safe experience. As we see it, this is an opportunity to begin again, and put precautions in place before we allow even one person inside. We will also require new registration forms be completed to join us again in teaching and caring for your children in the gym.

We are anxiously awaiting your coming back to Gymfinity. We have never been more excited to see our kids in the gym, *and we were pretty excited before!* Until then please stay healthy and safe. Be well.

See the Covid-19 page on the Gymfinity website.
